Dear Debbie

RE: MASIZAKHE YOUTH LEADERSHIP CAMP FEEDBACK

Thank you so much for all of your efforts and the wonderful leadership and team building day “Ingwe journey” that our youth participated in at our recent youth Leadership camp held at Ingwe last month.

The group of youth that we brought out from Kurland Village had such a fantastic weekend experiencing things they would never ordinarily get the chance to do. The Ingwe journey really helped them to learn to work together and built up such great team spirit amongst the group.

Although Ingwe is only a short distance from town you really feel completely removed from all distractions in your beautiful natural setting. It is the ideal place for young people to get away from their usual surroundings and experience and learn more about the natural environment as well.

The facilities were impeccable as usual, the staff friendly and all in all a wonderful experience for our youth and the Masizakhe members who attended.

Thank you again for helping to create a memorable, educational and inspirational camp for our youth.

Regards
