

WOODRIDGE

COLLEGE AND PREPARATORY SCHOOL

More than a school... an experience

17 June 2009

To whom it may concern,

Ingwe Forest Adventures

I am hereby writing this letter in support of the work done by Ingwe Forest Adventures.

We visited this establishment for the first time in October last year, and are due to visit again this year in October.

We visited with a group of 60 Grade 7 pupils and had a wonderful 2 night stay at Ingwe. We were thoroughly impressed with our accommodation, meals and facilities.

The pupils all thoroughly enjoyed themselves. The activities which they took part in were challenging, yet fun. They were all based on working together as a team. The team aspect of the activities was taken even further when the pupils were divided into groups and had to come up with a name for their group, as well as paint a flag for their team.

The "Ingwe Journey" is an absolutely fantastic experience. The pupils are required to do a range of different challenges on this obstacle course. Our children loved doing it. All of our children managed to complete the course, due to teamwork. Some overcame their fears with the help of their teammates and the group leaders.

Ingwe has a very worthwhile programme which they offer to schools.

We are looking forward to our visit in October, as well as many more visits to them in the future.

Yours faithfully

Helen Bates (Miss)
