Collaboration to bring you the best of what the Garden Route has to offer.

These three companies, each an expert in their field, joining together is a true reflection of the implementation of solid collaboration to offer their clients the best experience possible at competitive rates. A minimum of 25 participants or the cost thereof, is required and only one group at a time is accommodated giving exclusivity and undivided attention to the group. We are flexible and happy to tailor make packages to suit your needs.

Our package rates offer a reduced rate on our Rack Rate of our most popular products. We offer a further 15% for STO and 20% for RTO rates. To qualify for RTO rates, a minimum of three bookings per calendar year is required. Please see our websites for all terms and conditions. Anyone of us can be contacted and we will co-ordinate the booking process from our central reservations system.

Ingwe Adventures established in 2004 and endorsed by WCED, is a mobile teambuilding adventure company that offers a variety of outdoor activities, leadership, and educational programmes for groups.

The ethos of their programmes is to provide an outdoor adventure in a non-competitive environment emphasizing teamwork and the individual's role as an effective team member. Ingwe Adventures has built an obstacle course that is part of its flagship programme-The Ingwe Journey. This is situated right next door to Firefly Falls and offers a challenging experience with incredible views of the Crags.

A range of programmes is available from environmental awareness, conservation, and critical thinking skills to outdoor cooking challenges. In addition, a specialized range of activities under the Gifts of the Earth series is also offered. Foraging and fishing, walks and art, wellness sessions, and meditation are included.

Ingwe Adventures encourage their clients to connect with nature, unleash their creativity and potential, get screen-free, and leave only footprints taking away lasting memories.

Firefly Falls is situated a few minutes from Nature's Valley and 20 minutes from Plettenberg Bay on five hectares of private property. The name came from the delight of witnessing hundreds of fireflies sparkling their magic in the forest near the property's perennial waterfall. It is ideal for both academic and corporate groups with spacious gardens and stunning views. It has a private hiking trail, hot tub, Boule court, and communal area. The Firefly Falls team will ensure your stay is memorable and that you will want to return again and again!

Accommodation: There are different accommodation options that are available for you to choose from. We offer the inclusion of the group leaders' accommodation rate into the package depending on group size. There are different ablution facilities available depending on the accommodation chosen, including outdoor showers and a private forest bath.

Bactrac Adventures is a subsidiary company of the long-established Bhejane Adventures that is well known for its overland safari trips. The tents used by groups are supplied and professionally installed by their team, and so is the top-class catering that is included in your package.

Catering: Their team will be on-site preparing your delicious South African safari-style cooked meals on open fires during your stay. Breakfast and dinner are included in your package. Breakfast is a typical overlander-cooked breakfast with oats to start. Dinners are hearty stews or plates of pasta with pot bread and healthy salads around the fire. Lunch is an optional extra, or you can bring your own and use the communal kitchen to prep. Special dietary requirements are catered for with prior notice given.
